

The current CPD pilot procedure specifies the Body Worn Camera (BWC) be activated (at minimum) during the following types of incidents:

1. All calls for service and self-initiated activities
2. While responding to calls for service in “emergency” mode (lights & siren activated)
3. During the entirety of traffic pursuits and foot pursuits
4. Traffic stops, including the investigation of a vehicle and occupants already stopped or parked
5. When assisting other officers on any call for service or self-initiated activity
6. All requests for consent to search without a warrant, including searches of persons, buildings, or vehicles
7. Requests for searches and deployments of drug-detection canines involving vehicles, when practical
8. Recordings of all persons physically arrested and being transported in any Department vehicle to any location
9. Officers have the discretion to activate the BWC when they believe an event may have evidentiary value
