City of Cincinnati Electric Car Incentive Program – Policies and Procedures

On November 26, 2008, City Council passed a motion that modified the City parking regulations to allow all-electric cars displaying a City issued permit to park for free in a specific downtown City-owned parking facility and at any parking meter that is available at a cost to the public within the City of Cincinnati city limits.

Application Process

Electric Car Incentive Program applications can be obtained online at <http://www.cincinnati-oh.gov> or in person from the Office of Environment and Sustainability (OES) located inside City Hall, 801 Plum Street, Room 130.

In-person applications and inspections will be accepted by appointment only. To schedule an appointment, please contact Michael Forrester at (513) 352-6911 or Robin Henderson at (513) 352-5340 Monday through Friday, 8:00 AM to 5:00 PM.

City-owned Downtown Parking Facility included in Electric Car Incentive Program:

- Garfield Garage – 13 W. Ninth Street

Parking in this facility is provided on a first come, first serve basis with **no** overnight privileges.

Parking Meters included in the Electric Car Incentive Program

Electric Cars will receive free parking for the time permitted by the parking meter. After the initial time allowed by the meter, the car is required to vacate the spot. Electric cars parking at meters are not exempt from existing parking meter restrictions and are subject to all traffic laws, regulations and enforcement.

Note: The purpose of metered parking is to promote vehicle turnover to support local downtown and Neighborhood Business District businesses.
