o Debra Vitt: Disability Application

The Medical Director recommended approval of disability retirement with a reassessment in 18 months. Members discussed the complications involved recommending follow-up assessments. Members considered whether the recommendation should be voted separately.

Board Action

M. Fehn made a motion to accept the Medical Director’s recommendation and to approve the disability application for Debra Vitt, including the recommendation for a medical reassessment in 18 months. J. Robinson seconded the motion. Discussion raised concerns for setting precedence for approving disabilities with medical reassessments. All disability applicants sign an acknowledgement that according to the Cincinnati Municipal Code §203-55, they could be subject to an income review as well as a medical reexamination in the future. Therefore, mandating a reassessment is unnecessary. Following a roll-call vote, the motion failed.

The Program will terminate on the earlier of (a) when \$5 billion has been reimbursed to certified plan sponsors or (b) on January 1, 2014.
