To Whom it May Concern,

As you know, past Cincinnati Fire Department's policy has provided a life safety officer for facilities and the first paramedic unit at no cost for street events when required. Additionally, the City of Cincinnati has provided other subsidies to reduce the cost Fire Department resources. A motion, #200510010, was submitted to City Council on May 11, 2005. The motion reads: "I move that the City of Cincinnati not provide any free Fire Department overtime services to any organization without the approval of City Council."

Council, at the regularly scheduled meeting on June 15, 2005, passed the motion. Beginning June 30, 2005, the Fire Department will no longer provide free services for special events without approval by City Council. At that time the Cincinnati Fire Department shall invoice for all services at special events.

Questions concerning this matter can be directed to the Special Events Captain Joe Wolf at 352-3970.

Sincerely,

Robert Kuhn
