Break out Room Role of Mag (8) Attendees	
Bishop Ennis Tait	<p>Comment: Hears a of talking, pushing hard to hold to the tenant of the collaborative. Would like to focus on something that holds us together. Discuss issues pointed out in collaborative refresh as a means to keep us focused on.</p> <p>CM Boggs Muething agreed.</p>
Margaret Fox	<p>Comment:</p> <ul style="list-style-type: none"> • Key Processes: Police shootings, MAG would be aware immediately, updates would be provided my Dohoney, when and where. The past MAG members watched the video suicide by cop which was very helpful with understanding CPD position and helped them engaged with the community. It was a good way of showing CPD standing. • Press conference MAG has been shut out since Black of attending press conference. <p>Ms. Fox asked the CM if this was possible? CM responded I will have to check with the chief if there are issues, I am not aware of but I don't see an immediate problem. I will get back to you on that.</p> <p>Ms. Fox also asked if they could be provided information immediately once a police shooting occurs? CM responded She would also have to check with the chief but does not see any issues with providing them that information but would get back to them.</p>

2021 MAG Meeting Break Out Session With CM

Iris Roley	<p>Comment:</p> <ul style="list-style-type: none">• regarding 20 anniversaries of the MAG approaching. CM stated she would be looking into ways to commemorate that moment. <p>*We may need to get on the same page about this and mention something about this at the meeting.</p>
Break out Session Ended: Additional Observations:	<p>A lot of interest about the letter that the Mayor and Chief sent to President Biden requesting a meeting regarding the DOJ. MAG members, specifically Rickell Smith and Iris Roley wanted to help.</p> <p>Chief pointed out the significance of the proposed changes to the group and how it will undermine recruiting efforts.</p>
