Here are some suggestions I caught during the meeting for follow-up discussion at our retreat. Please feel free to email me additional items for consideration.

- Development of an Educational Forum for Community Members. This suggestion was raised regarding CCA but could be applicable to a variety of criminal justice initiatives, police procedures or problem-solving efforts.
- MAG Action Items - specific goals for the MAG to tackle, discussed within CM breakout.
- Police Discipline & Data: what can be on the data portal?
- MAG meeting structure; cadence, sub-groups, panel vs breakout discussions etc.

Please note the following dates for our next few meetings.

- July 27, 2021, 1-2:30pm Online Virtual Training re: Q1 Performance Deck Data Deep Dive
- October 22, 2021, 9am-1pm Half Day Retreat @ Theodore M. Berry Friendship Park Pavilion
- Q2 Deep Dive on Data Meeting (Date TBD)
- December 10, 2021, TBD in-person

Also, feel free to email Kelly.Carr@cincinnati-oh.gov or Assistant City Manager Sheryl Long if you would like to discuss anything else or if you would like additional time with either of us. Thank you,
