PROGRAM STATEMENT

Cincinnati Metropolitan Housing Authority (CMHA) is the current owner of the property at 1048 Considine Avenue. CMHA is in the process of selling the property to Santa Maria. The site is approximately 6.84 acres. The surrounding land uses are predominantly residential, including both single-family and multi-family, with a park to the northwest of the site and some commercial to the southwest. The northeast portion of the site is located within the Hillside Overlay District. The land is vacant and has been for over ten years. Previously the land contained several multi-family buildings owned by CMHA. The property is currently zoned "SF-2", Single Family District.

The land at 1048 Considine Ave. is projected to be used for the development of two buildings, one being a Community Service Facility (§ 1401-01-C16) operated by Santa Maria Community Services, an independent organization founded by Sisters of Charity. Santa Maria provides more than 2,500 individuals with educational tools and resources to build strong families, promote healthy residents and foster neighborhood revitalizations. The second building will be occupied by HeadStart that has a mission to engage and support children and families by providing the educational foundation that inspires life-long learning. The HeadStart building will be a Day Care Center (§ 1401-01-D) for approximately 200 students each day, ages from infant to 5 yrs. of age. Santa Maria will be splitting the site and selling a portion of the 6.84 acres of land to CAA/HeadStart for the new building. This will be considered a Major Subdivision. Construction of the new HeadStart building will follow Santa Maria in development, constituting a second phase.

Accessory uses associated with the development include raised gardens in partnership with the local 4H group; a playground servicing the Day Care Center; walking trails; and parking to service both buildings. Fencing, walls, and refuse and storage areas will be in compliance with the associated sections of the Cincinnati Municipal Code: §1421-33 "Fences and Walls," and §1421-35 "Refuse and Storage Areas."

It is proposed to change the current zoning SF-2 to "PD" Planned Development District. The PD zoning allows the integration of aligned services on a single site. The proposed zoning more appropriately addresses the future use of the site. The Santa Maria building will be between 24,000-29,000 square feet including two stories, not to exceed 45' in height. The HeadStart building will be between 20,000-30,000 square feet including two stories, not to exceed 40' in height.

There is approximately 80-90 parking spaces provided for the Santa Maria building and approximately 50-60 spaces for the HeadStart building. Parking will be in compliance with Sections 1425-25 "Off Street Parking and Loading Dimensions," and 1425-29 "Parking Lot Land Use" of the Cincinnati Municipal Code.

A signage plan will be submitted with the Final Development Plan and will follow the requirements of the Commercial Neighborhood – Mixed (CN-M) and Commercial Community – Mixed (CC-M) zoning districts (§ 1427-37 "Signs Standards for the C and UM Districts"). The East Price Hill Improvement Association Community Council (EPHIA) has written a letter in support of the development at 1048 Considine Ave., see attachment. EPHIA sees Santa Maria as a beneficial partner and resource for the Price Hill community.

Development on the Considine site will revitalize the property and area along with an infusion of dollars in the community.

This is an estimated levy payment based on the current value of your property. Actual tax amounts per tax year may vary based on changes in property valuation and based on whether a parcel receives any abatement, credit, or reduction during the levy period.

Effective for the tax year 2005, Ohio's biennial budget bill, Amended Substitute House Bill 66, signed by the Governor on June 30, 2005, terminates the 10 percent real property tax rollback for the commercial and industrial classes of property, and agricultural property used for the commercial production of timber.

Effective for the tax year 2013, Ohio's biennial budget bill, House Bill 59, signed by the Governor on June 30, 2013, terminates the 10 percent real property tax rollback and the 2.5 percent homestead credit on all additional or replacement levies passed at the November 5, 2013 election or after. As a result of this legislation, those same levies will not qualify for the stadium tax credit.

Existing and renewal levies, as well as levies passed at the May 7, 2013 and August 6, 2013 elections will qualify for the credits. Residential and most agricultural properties with qualifying levies will receive what is now the Non-Business Credit Rollback Factor. Owner occupied residential dwellings with qualifying levies will receive what is now the Owner Occupancy Credit Rollback Factor, as well as the stadium tax credit.

Re: 1048 Considine Avenue | Santa Maria Community Services Development (P) -
(CPRE230040) Initial Comments and Recommendations

Dear Mr. Musser,

This **Preliminary Design Review** letter is to inform you that our Advisory-TEAM has reviewed your proposed project located at **1048 Considine Avenue** in the Community of East Price Hill. It is my understanding that you are proposing to redevelop a piece of vacant land for the purposes of building a new office building for the Santa Maria Community Services, a Head Start building with a playground, agricultural / gardens, and walking paths on the property. Please see our initial feedback listed below. Thank you for developing within the City of Cincinnati.

City Planning & Engagement – Planning Division

Immediate Requirements to move forward with project:

1. **The proposed childcare and office uses are not permitted in the SF-2 zoning district. Planning staff recommends a zone change to a Planned Development (PD) for this project.**
2. Applications for a zone change to a PD should be submitted through the Department of City Planning and Engagement and will require a Concept Plan and Development Program Statement. All items outlined in Chapter 1429-09 of the Cincinnati Zoning Code must be submitted in conjunction with the application. Information and materials can be found at <https://bit.ly/ZoneChangePacket>.
3. Zone change process (approximately):
Public Staff Conference - 2-4 weeks
City Planning Commission - 4-6 weeks
City Council - 4-14 weeks
Final Development Plan Approval (PDs only) - 2-6 weeks

Requirements to obtain Permits:

1. Once the zone change, Concept Plan, and Development Program Statement are approved, a Final Development Plan is required to be approved by the City Planning Commission. This may be submitted concurrently with the zone change application.

Recommendations:

1. The Applicant should meet with the East Price Hill Community Council and adjacent property owners to discuss the project. Contact information for the community council can be found here: <https://bit.ly/CommunityCouncilContacts>
2. Letters of support are encouraged.

City Planning & Engagement – Zoning Division

Immediate Requirements to move forward with project:

1. The proposed uses are a Community Service Facility and a Day Care Center. The subject property at 1048 Considine Ave is zoned SF-2. The SF-2 district does not permit the proposed uses. A zone change is required. Staff recommends following Planning's direction regarding zone changes. Zoning staff understands that Planning recommends pursuing a zone change to PD (Planned Development). The comments below are in response to the applicant's request for a zone change to Urban Mix (UM).
2. Applicant is requesting a Zone Change to UM. In the UM zoning district, a Day Care Center is a permitted use. A Community Service Facility requires Conditional Use approval. The Conditional Use process requires a public hearing with the Zoning Hearing Examiner and takes about 2 months. Multiple buildings on a lot is not permitted in the UM district. Zoning relief would be required to permit the proposed development. (Section 1410-05)
3. If the property is to be developed after a zone change to the UM zoning district, additional information will be required for a complete zoning review:
4. A community service facility requires 1 parking space for every 100sf. Please confirm the proposed square footage of the community service facility. A day care center requires 2 spaces per facility, plus 1 space for every 8 clients. Please confirm the proposed number of clients. (Section 1425-19)
5. Please note that a Type A Landscape buffer would be required between proposed UM zoning and adjacent SF and RM districts. A Type A landscape buffer must be at least 10ft wide with a 6ft screen fence.
6. Please submit elevations and note that the maximum height in the UM district is 45ft.
7. Please confirm the area dedicated for gardening. Note that a garden, when permitted as an accessory use, is limited to 20,000sf. More than 20,000sf of agricultural space is classified as a "Farm" and requires Conditional Use Approval.
8. Please confirm the proposed use of the corner lot across the street at 1053 Considine.

Requirements to obtain Permits:

- None

Recommendations:

1. Note that the northeast portion of the property is located within the Hillside Overlay District. The submitted site plan does not show any construction in this area. If construction is proposed in the future, it will be subject to the requirements Zoning Code Chapter 1433, "Hillside Overlay District."

1048 Considine Avenue Zone Change Request

Community Support for Santa Maria Community Services' Application

Community Council

Santa Maria Community Services and its partners have presented regular updates over the past two years to the **East Price Hill Improvement Association** ("EPHIA"), and this organization has been completely supportive of Santa Maria's specific plan to redevelop 1048 Considine Avenue. In fact, it was the President of EPHIA, Sheila Rosenthal, who originally suggested that Santa Maria explore this property as a potential site for this development. EPHIA meetings are open to the public and all residents/business owners are encouraged to attend.

Adjacent Property Owners

Santa Maria Community Services has been working for more than two years with **Cincinnati Metropolitan Housing Authority**, the current owner of 1048 Considine and Horizon Hills Apartments adjacent to 1048 Considine. Horizon Hills Apartments are just East and South of 1048 Considine. CMHA is fully supportive of the application and, in fact, because they are the current owner of the property, they made the formal request on Santa Maria's behalf. CMHA is willing to sell the property to Santa Maria because our respective missions and purposes align, so CHMA is supportive.

Price Hill Will is another adjacent property owner. They have just redeveloped the Warsaw Avenue Creative Campus in the 3100 block of Warsaw Avenue, and they are one of the co-developers on Santa Maria's project, which will be adjacent to and just of the North of the Warsaw Avenue Creative Campus.

The **Cincinnati Parks** department owns Glenway Park, adjacent to and just West of 1048 Considine Avenue. Santa Maria participated in a community engagement session related to Glenway Park earlier this year where Santa Maria's project was discussed at the Firehouse on Warsaw Avenue. Santa Maria and its partners have since met with the Cincinnati Parks Director, Jason Barron as well as the leadership of the **Cincinnati Parks Foundation**, all of whom are supportive of our plan and with whom Santa Maria is exploring ways to partner going forward.

To Whom It May Concern:

The East Price Hill Improvement Association Community Council (EPHIA) wishes to express support of Santa Maria Community Services' project to construct a new building in Price Hill which will integrate into a single location all their client services, partners and operations which are currently spread across multiple locations in the community.

We are extremely proud that the Price Hill community is one of the oldest, largest, and most diverse neighborhoods in Cincinnati. Our community faces many challenges which impact our residents and families, including a lack of kindergarten readiness, low high school graduation rates, high incidences of chronic disease, and addiction/drug use, and limited availability of quality affordable housing. The growing needs of our residents and families continue to outstrip the capacities of available effective programming due to the historic lack of investment in addressing these needs in our community.

Santa Maria has been a beneficial partner and resource for the Price Hill community since 1966 and works to address the issues which impact our residents. Santa Maria provides free educational tools and resources that support early childhood development, educational advancement, financial stability, workforce development and much more. This small organization makes an enormous impact in our neighborhood, and now has the opportunity to grow and strengthen the impact of their holistic, family-centered approach and programs by integrating all their services and partners under one roof. To do so, they desperately need the right infrastructure in place.

The East Price Hill Improvement Association Community Council partners with and shares Santa Maria Community Services' interest, concern, and efforts to address the needs of our residents. Our interests and concerns align particularly around mitigating and addressing those social, educational, and familial issues which negatively impact the lives and futures of our residents because once those problems are established and chronic, they negatively impact the wider community which EPHIA works to support, improve, and advance.

Our organization has a long-standing commitment and partnership with Santa Maria, and we strongly believe that their plans to bring all services and operations under one roof will allow

Santa Maria to help more people lead healthy, stable, and fulfilling lives which will result in a healthier, more stable, positive, and equitable community. We see this development as an opportunity for both Santa Maria and for the Price Hill community to potentially address multiple community issues and anticipate a tremendous impact from the construction of this project.

EPHIA asks that you give your full consideration and support to Santa Maria's request for state capital funding so we can invest in and strengthen Price Hill together. We appreciate your time and attention to this request and are happy to provide additional information if needed.

Sincerely,

A handwritten signature in cursive script that reads "Sheila K. Rosenthal".
